

Southside Elementary School

New Drop-off and Pick-up Procedures

Parents and Guardians,

We would like to take this opportunity to welcome you to the new 2018-2019 school year.

We are excited to announce that there will be a new drop-off and pick-up procedure to improve the traffic during arrival and dismissal times at Southside.

For morning drop-off:

Vehicles dropping students off will enter Manning Drive located beside the eye care clinic behind Southside Elementary. Vehicles will follow Manning drive around the school until they reach Paschall Blvd. and then enter the front of the school for morning drop-off as shown on the map. Morning drop off will be one line only and we ask that you pull all the way through the circle. Traffic will exit Southside and travel down Paschall Blvd. to Hwy. 198. Vehicles attempting to enter Paschall Blvd. from Hwy 198 (as in past years) will not be allowed to enter the circle for drop-off.

For afternoon pick up:

Vehicles picking up students will enter Manning Drive located beside the eye care clinic behind Southside. Vehicles will follow Manning Drive around the school until they reach Paschall Blvd. and then enter the front of the school for afternoon pick-up as shown on the map. Afternoon pick-up will be two lines and we ask that you pull all the way through the circle and we will bring your child to you. Traffic will exit Southside and will travel down Paschall Blvd. to Hwy. 198. Vehicles attempting to enter Paschall Blvd. from Hwy 198 (as in past years) will not be allowed to enter the circle for pick-up.

Reminders:

Have your car tag up and visible with your child's name in large, neat and bold print for those calling student names to be able to see clearly. Keep the car tag up all the way through until your child is loaded. Once your child is loaded you may take your car tag down.

- Please no cell phone usage when you are in the circle.
- Please follow the directions of staff members. When those dropping off and picking up students cooperate, the procedure will be more efficient and pleasant for all.
- Please be patient, kind and courteous as we begin this new procedure.

We are looking forward to another fantastic year,

Sincerely,
Brandi Dyer, Principal
Southside Elementary School
