Hurricane Relief Update

In the fall, Lakeview did a change drive to collect money for an elementary school in Houston that was affected by Hurricane Harvey. Lakeview students raised \$4,300!!! We are super proud of this accomplishment!! Recently, Mr. Massey and Mrs. Guiter drove to Houston to visit Sheldon Elementary. Sheldon students were displaced to have school in a church that was limited on space. Teachers combined two to three classes into makeshift classrooms during a four month period. January 9th, students and staff were able to return to campus with limited supplies. Sheldon Principal, Rachelle Ysquirdo was very grateful to receive the donation. She plans to use the money to purchase books, classroom and teaching supplies, AVID supplies, and to replace damaged furniture.
