### Every student succeeds... Whatever It Takes!

## Academic Awards

Our end of the year Awards Assemblies will be on Friday, May 25th in the Lakeview Cafeteria. Second through Fourth Grade assembly will be from 8:30-10:00. Kindergarten and First Grade assembly will follow at 10:15-11:15.

### STAAR TESTING

In May, our third and fourth grade students finalize preparations to take the math and reading STAAR tests. The math test will be on Monday, May 14th. The Reading test will follow on May 15th. We're confident that Lakeview students will, ONCE AGAIN, do their very best and be ROCK-STAARS!!

We ask that you not schedule any appointments or doctor visits on STAAR test dates!

To provide our students with the best testing environment as possible, we do not host lunch visitors on STAAR testing days.

### May Brings FUN at LV!

Many fun events are planned for the next few weeks to reward your children for all of their good behavior, extra effort and just for daily "Doing their Best!" We have an AR Incentive on May 18th for those who qualify. We have our Splash Kingdom incentive on May 23rd for third and fourth grades. We also will enjoy Track & Field Days the 21st and 22nd. Please read over the "Upcoming Events" section on the left side of this newsletter. There are many more events listed for you to be aware of. Please make sure any permission slips that are sent home return to the school in a timely manner.

Congratulations to Robin Woodard! She was nominated as our April Employee of the Month. Also, a huge "thank you" to Applebee's for providing incentives for our employee of the month!

May 7th-11th is Teacher Appreciation Week. Please let your child's teacher know just how special they are. We're proud of our teachers at Lakeview for helping to make this campus a great school for all children!

## Thank You "Friends of Lakeview" Volunteer Program

As this school year rapidly comes to a close, we want to express a heart-felt THANK YOU to our wonderful parent volunteers who graciously helped us with campus activities and needs this year through our "Friends of Lakeview" program. Honestly, we could not accomplish all the special things that we do at Lakeview without your help and support. On May 24th, we will be hosting a volunteer luncheon for all of our parents that have served at any of our volunteer opportunities. Even with the fifty parents already volunteering this year, we still need several more helpers for the end of the year activities, so expect a call soon! *Fun, fun...help us with Splash Day!*

## LV Campus Improvement Team 2017-2019

Along with our FOL Volunteers, we also want to give a BIG shout out to our Campus Improvement Team for their guidance and service this year! You have done an excellent job of program planning/monitoring, and identifying campus needs and projects. Your support and service to Lakeview's students and staff is greatly appreciated! School, home and community working together greatly contributes to Lakeview's legacy of extraordinary student success!!
