The intent of our camp is to provide each athlete with a meaningful experience through fundamentals of the game, and the opportunity to learn what it takes to be a successful volleyball player.

This camp is designed for beginners to the intermediate levels and will offer instruction and training of new performance skills and techniques of passing, setting, attacking, serving and defense. Emphasis will be placed on court movement and ball control as well as game competition. A variety of drills, games and competition will be used to put these techniques into practice.
