FUNDRAISING

Lakeview kicked off a fundraiser that started on January 28th that will go through February 11th. Students will be selling cookie dough and popcorn. Please help us make this a successful fundraiser by helping your child sell items. All raised proceeds will go towards funding incentives and campus wide activities throughout the school year.

Saturday, February 23rd will be the Mabank ISD Science Fair. Lakeview has had several students sign up so far, and we know that Lakeview will be represented well! It's not too late to sign up! If your child is interested in signing up, please have them ask their child's teacher about obtaining an information sheet. This will be loads of fun!! There will be several STEAM activities that students will be allowed to explore during the science fair.
